

American Farmland Trust's

Land Transfer Navigator Partnership

SUPPORTING TRANSITION AND ACCESS ON AGRICULTURAL LANDS

Land Transfer Navigators are skilled professionals who provide direct assistance to farmers, ranchers, and landowners. They support succession and transfer planning tailored to the communities they work with. **This page lists and links to our current cohort of Land Transfer Navigators.**

To learn more about the project visit farmland.org/land-transfer-navigators/

AFT Navigator is a Land Transfer Navigator Organization

Across the organization AFT staff are training, building networks, and setting up wholistic systems to support farmers and ranchers plan for the future of their land.
